

VALUE erazzr® BIG BLOCK

BRILLIANT AT ERASING GRIME, SCUFF MARKS & SURFACE STAINS

The VALUE erazzr® BIG BLOCK comes in a pack measuring 200mm x 180mm x 60mm. That's 2160 cm³ (cubic centimetres) of product. Please note a competitor's block measuring 320mm x 130mm x 40mm is only 1664 cm³... at the delivered price offered by the **nationwide build shop** that makes erazzr® BIG BLOCK exceptional value for money.

Amazingly pads cut from the BIG BLOCK are simply activated by the power of water; without damaging the dirty surface, a pad will safely erases stubborn grime, scuff marks, pollution and algae stains from most hard surfaces.

The erazzr® BIG BLOCK provides a cost effective method of renovating most grimy, stained or marked surfaces around the home. It is simply activated by the best cleanser known to man.. H2O – no abrasive powders, detergents or chemical cleaners are incorporated or necessary.

erazzr looks like a sponge but it should not be used like one. It works like a large pencil rubber. In combination with water, it literally erases - rubs away grime and marks.

◀ An erazzr® BIG BLOCK pad is easily cut into smaller pad sizes.
